This scholarship exists because of the kindness and generosity of friends and family of Yandell "Gus" Collins, a musician, artist and grandfather. It is in his memory that Art Matters offers a limited number of scholarships. Art Matters seeks to choose families who feel their child would benefit from this art experience the most and *are not able to pay*. In the space below please describe briefly why your child should have this opportunity to attend one summer art camp. If you are receiving free or reduced lunch, please let us know. Even if you are not, please tell us about any other special circumstances. If you need more space, attach pages or write on the back. The deadline for submitting the application is May 2018. A maximum of 8 scholarships will be awarded: one per each camp. Applicants who are granted scholarships will be notified no later than June 1, 2018. Scholarships are awarded for half-day sessions only and are limited to one per family, per summer. Please send the application and also a Summer Art Camp Registration Form (that indicates your first *and second choice* for the camp the child hopes to attend.) Registration forms are available on our website: www.artmatterscommunitystudiogallery.com. Please send the scholarship application and the registration form to: Art Matters, 310-A East Main Avenue, Bowling Green, KY 42101. Thank you!

We are interested in making sure scholarships go to children who love art and will make the most of this opportunity. In the space below, please also describe your child's interests and/or achievements in art.
