This scholarship exists because of the kindness and generosity of friends and family of Yandell "Gus" Collins, a musician, artist and grandfather. It is in his memory that Art Matters offers a limited number of scholarships.

Art Matters seeks to choose families who feel their child would benefit from this art experience the most and *are not able to pay*. Please just share with us a story- describe briefly why your child should have this opportunity to attend one year of weekly, one-hour art lessons. If you are receiving free or reduced lunch, please let us know. Even if you are not, please tell us about any other special circumstances. If you need more space, attach pages or write on the back of this form. The deadline for submitting the application is September 2019. Applicants who are granted scholarships will be notified within one week of applying. Scholarships are limited to one per family, per year. Please indicate your first *and second choice* for a day of the week and time of the day that works best for your child to attend. Art lessons take place Monday- Friday at 3:30 and 4:30 PM. (On Mondays and Wednesdays there is also a 5:30 PM class.) Please send the scholarship application to: Art Matters, 310-A East Main Avenue, Bowling Green, KY 42101 or email your information to: [teresachristmas.artmatters@gmail.com](mailto:teresachristmas.artmatters@gmail.com)

Thank you!

We are committed to making sure scholarships go to *children who love art* and will make the most of this opportunity. In the space below, please describe your child's interests and/or achievements in art.
